

ABA: 68667121

VMH

The image shows a coronal section of a rodent brain. A specific region in the medial prefrontal cortex is highlighted in blue. The brain is centered in the frame, with the midline visible. The blue area is located in the upper-middle part of the brain, symmetrically on both sides of the midline. The text 'ABA: 68667121' is in the top left, and 'VMH' is in the bottom left.
