The image displays a cross-sectional view of a brain, likely from a PET or SPECT scan, showing functional activity. The brain is represented by a blue, textured area against a black background. A prominent, bright yellow-green spot is visible in the central region, indicating a high concentration of the tracer. The image is divided into four quadrants by a white horizontal and vertical line. The text 'ABA: 68799095' is located in the top-left corner, and 'ME' is in the bottom-left corner.
